**Tender for the supply of Forklift truck empty container ("FLT-EC")
Tender No. 3204/TZ/24**

General Requirements for FLT -ECH

ATTACHMENT A

Section C

1. Spare parts.

Proposer undertakes that any of the spare parts required for the proper operation of the FLT-EC, in accordance with the Technical Specifications, will be made available to APC, at APC's sole discretion, throughout and until the lapse of at least six (6) years from the expiration of the Warranty Period (as such term is defined in the Agreement) of the FLY-EC last delivered to and accepted by APC.

1.1. Recommend spare parts list

The Proposer shall submit a recommended spare parts list required per FLT-EC for **3 years** of operation, based on **3,750** working hours per FLT-EC per year.

2. Technical manuals.

The following manuals in English shall be provided with **each delivery of** FLT-EC - one copy, in hard copy & one disc on key. In addition, one disc on key will be submitted **together with the Technical Proposal:**

- 2.1. Operation manual.
- 2.2. Maintenance manual.
- 2.3. Repair and overhaul manual.
- 2.4. Parts catalogue.
- 2.5. Engine operation and maintenance manual.
- 2.6. Engine overhaul manual.
- 2.7. O.E.M Engine parts catalog.
- 2.8. Transmission operation and maintenance manual.
- 2.9. Transmission overhaul manual.
- 2.10. O.E.M Transmission parts catalog.
- 2.11. Maintenance/repair manuals and spare parts catalog for other repairable components if they were not included in the FLT-EC manual.

2.12. Machine list for each FLT-ECH

Note: The Proposer may combine one or more manuals into one volume.

3. **Training.**

3.1. **Training at APC's site:**

The Proposer shall provide operation and maintenance training to operators, mechanical technicians and electrical technicians of the FLT-ECs, in accordance with and subject to the provisions of Section 16.1 of the Agreement (attached to the IFP as Attachment D).

Proposer will enclose in its technical proposal a detailed training program per each training course.

3.2. **Training at Proposer's site - as an option** (to be priced separately in the Financial Proposal):

The Proposer shall submit an offer for maintenance personal trainings at the Proposer's site in accordance with and subject to the provisions of Section 16.2 of the Agreement.

The Proposer will enclose in its Technical Proposal a detailed training program per each training course.

3.3. **Additional Advanced Training at APC's site - as an option** – (to be priced separately in the Financial Proposal):

The Proposer shall submit an offer for advanced maintenance personal training at APC's site in accordance with and subject to the provisions of Section 16.3 of the Agreement.

The Proposer will enclose to its Technical Proposal a detailed advanced training program.

4. **General instructions.**

The Proposer shall submit its Technical Proposal with detailed specifications for the proposed FLT-EC.

In addition, the Proposer shall provide its Technical Proposal with a list of all available optional features and equipment not included in the Technical Specifications (Attachment A) and are not part of its proposed price for the FLT-ECs. The proposer shall indicate the prices for such features and equipment in its Financial Proposal (Attachment B).
